IMRA Instructional Materials Review and Approval

Professional Learning

The following information is intended to assist local school systems during the instructional materials adoption process. One form will suffice for all grade levels if the information stays the same.

All fields with an asterisk (*) are required.

Publisher* Innovamat Education, Inc.

Program Title* Math Journeys Texas

Subject Area* Supplemental Math (English)

Course/Grade Levels* K-8

Introductory Session: Please complete the questions below as they apply to your recommended introductory professional development session(s) for a local school system that has adopted your materials. Information should apply to the minimum level needed for strong implementation of materials.

Duration (hours)* Half day (3 hours) or Full day (6 hours) **Cost per teacher*** Per session: 3hrs $3,000 & 6hrs: $6,000

In-person or virtual* In person is strongly suggested, but virtual is also available

Other specifications* Our onboardings are priced per session not per teacher. They are delivered by a Math Success Manager, a professional team member with deep knowledge of math education and program implementation, that will work with the district to support program implementation. They are hands-on by nature and focus both on program specifics and getting teachers ready to get started, and the math didactics and philosophy behind the program.

Ongoing/Follow-Up Session(s): Please complete the questions below as they apply to your recommended ongoing/follow-up professional development sessions for a local school system that has adopted your materials. Information applies to the minimum level needed for strong implementation of materials.

Duration (hours)* 1h; 3hrs, 6 hrs **Cost per teacher*** 1h V: $400 3hrs IP: $3,000 & 6hrs IP: $6,000

In-person or virtual* In-person (IP) or virtual (V)

Other specifications* Ongoing follow up implementation support is priced per session not per teacher. They are not only possible, but also an integral part of our partnership with districts. Our Math Success Managers offer professional development workshops focus on relevant math ed topics (e.g. learning progressions, fluency, TEKS vertical alignment...), coaching sessions (classroom modellings, observations and feedback) and implementation support sessions (e.g. PLC)

Coaching/Consulting Options: Please complete the questions below as they apply to any personalized coaching or consulting options available.

Is coaching available for teacher implementing your materials? If yes, please describe*.

Yes, ongoing coaching is not only possible, but also an integral part of our partnership with districts. Our Math Success Managers work hand in hand with teachers implementing Math Journeys to ensure a successful program implementation.

Is coaching available for school leadership and district staff implementing your materials? If yes, please describe*.

Yes, ongoing coaching is also available for school leadership and district staff. We offer train the trainer models (e.g. Thinking Coaches) that build internal capacity and also ongoing sessions to support district leaders at all levels.
