

TRR Publisher Response from American Reading Company

The American Reading Company team is proud that our TEKS ELAR curriculum, ARC Core®, has been recognized by the Texas Resource Review as answering the call for high-quality curriculum. ARC Core met or exceeded expectations in all non-negotiable sections: *TEKS and ELPS Alignment, Quality of Text, Response to Text, and Foundational Skills* as well as the context-specific sections: *Supports for All Learners* and *Ease of Use and Supports for Implementation*.
